## SENATE REDISTRICTING SUBCOMMITTEE MEETING TO DISCUSS PROPOSED CONGRESSIONAL PLANS

Columbia, S.C. - On the Senate redistricting website (<https://redistricting.scsenate.gov>), the Senate Redistricting Subcommittee has posted two proposed congressional plans to be considered by the subcommittee on Thursday, January 13, 2022. These plans may be found under the PLAN PROPOSALS tab.

The Subcommittee will meet in the Statehouse's third floor conference room at noon (12:00 p.m.) on Thursday, January 13, 2022, to discuss the proposed congressional plans.

No public access will be allowed in the third floor conference room. The public may watch the meeting on the Statehouse website at <https://www.scstatehouse.gov/>.

Persons wishing to testify must do so through Zoom. To help the Subcommittee prepare, please notify the Subcommittee staff by email at [redistricting@scsenate.gov](mailto:redistricting@scsenate.gov) or phone at (803) 212-6634 if you would like to testify. Depending upon the number of requests to testify, the Subcommittee may restrict the time for each speaker and ask that those supporting a particular plan defer to a single or small number of speakers.

Please note that the information you provide the Subcommittee will become part of the public record.

The Subcommittee encourages all persons wishing to provide information about the two proposed congressional plans to send the information to the Subcommittee by email at [redistricting@scsenate.gov](mailto:redistricting@scsenate.gov). Public input is a vital part of this process. The Subcommittee encourages people to remain involved as plans are being discussed and considered.
